Jai Shri Mataji

I have a vision no doubt, and I've been talking about it quite a lot; but it ends up with the puja, is not a good thing. I know some countries are very difficult. Try to find out what is the problem, why it is so very difficult.

Attention has to be paid to this, that what other human beings are doing to destroy themselves, as if it is the part and parcel of the same which we call as the LAST JUDGMENT; but let us through our compassion and love, SAVE AS MANY AS POSSIBLE.

I have to really see you, you all Sahaja Yogis, doing your level best to change this world- has to be changed. As it is, humanity has to be saved thorough you and nobody else. No president, no prime minister- none of these people can change the world and save it. It is you are entitled, you have got this power.

Only with Sahaja Yoga you can save this world, there's no other way out. Whatever you may try, say, to help the poor, to help this and that is something very, vey superficial. Best thing is to give Realization to every person you see.

Shri Adi Shakti Puja, Cabella, 3rd June 2001.

Jai Shri Mataji
